

Raja Rogers Meeting Notes
January 16, 2007

Raja	Jeff and Ruth Moses here? What is happening?
Jeff Moses	Yes, we are busy caring from Ruth's mother and Jeff's father.
Raja	<p>Yes, we always take care of our parents. Maharishi has even sent people home from Raja training to do so.</p> <p>100 hr push to get the Central Univ at the Brahmastan of America. A farmer spent 30 yrs leveling and terracing the land to the East. There's a lot of silence in Kansas. Maharishi wants to offer 8% for a 7 yr bond. To get this bond, we have the collateral of the land there. We also have inaugurated a building on Broad St in Manhattan near stock exchange.</p> <p>Two kinds of people being sought: 1) those who want to give a donation 2) those who want to buy a bond. Will need 25% worth of bond. For example, for \$1 million in funding, 75% paid by bonds and 25% by donations, etc. Maharishi really wants a campus for each of the 50 states. Would be nice to have some small amt of funding from each state.</p> <p>What's going to happen to MVC and MUM? It will continue to grow. Central Univ will be a more specialized univ.</p> <p>How can we do something in a very remote place? 15 yrs ago, I was sitting with Maharishi talking about building a Center for Perfect Health and World Peace which is now MVC. Maharishi said, "You build it and I will fill it."</p> <p>When we were in the Brahmastan of India last yr at this time, I remembered that a delegation was there 7-8 yrs before that and nothing was there. Now there are hundreds of buildings. So wherever Maharishi puts his attention, things happen. Can happen slowly or quickly. We want to help it happen quickly.</p> <p>Bevan said that Maharishi said that it is really the sattva created on the Inv America course that has allowed this next step of sequential unfoldment. Maharishi had a World Plan many yrs ago and now the plan is unfolding rapidly.</p> <p>The plan is to use the vastu pts (Brahmastans of India and of America) as leverage to bring enlightenment, peace to the world. We are few in number so we need to use as much leverage as we can. So that is the importance of helping Maharishi manifest this university as quickly as possible.</p> <p>Now they are putting in some infrastructure, we are broadcasting from</p>

	there and we have a nice little TM center in Smith Center. The property is about 6 miles from Smith Center. Wonderful area. You can feel the silence as you approach the Brahmastan. Maharishi is also focused on raising the GCWP flag in every country.
Jeff Murphy	Short courses?
Elaine	Just received the CD's today. Will send an email with the titles tonight.
Raja	Need to call Raja to unlock the courses with the unlock key. Let Elaine know what courses you would like. She will send and then you may contact me for the unlock key.
Stuart	Central University – need a letter in email format that would be appropriate to email to our selected Sidhas, Gows and Meditators. Would be nice to include the points that you just brought out.
Raja	You could write a letter since you succinctly summarized what I said. I can get some of the graphic people at the Raj or Charlie to dress it up.
Alcine	Should local campus in the state be at the Brahmastan?
Raja	Let's not worry about that now. The state Brahmastans will be unfolding after the Central Univ campus is well on its way. But each state will have a mini-campus at Central U. Everything will be connected at the Brahmastan. Bonds will be tax free. Duration of 5-7 yrs. 8%., but the yield will be much more since they are tax free. The Gov of KS signed a bill (as one of her first acts taking office after re-election) about these bonds. So we are working with an agency in KS that does the bond offerings for many states.
Regine	Specialty of the univ?
Raja	Dr. Hagelin will be heading it up so it will be science-based, UF-based to show people from the scientific method the existence of the field of all possibilities. This direction may be modified to bring in Vedic Science. How are you doing there? Your plan looks good.
Regine	Adv lecture planned for first Sunday in Feb. Will start the club idea informally and see the response. Then report back to you and see if we want to codify it.
Raja	Beautiful. Let nature organize. You have tapes?
Regine	Yes. For the club concept, Dr. Schneider's Total Heart Health book outlines simple daily routines. So will encourage people to buy this book and start them in that way.
Raja	Great idea. Good start. If you would like me to phone in to a meeting, let me know.
Regine	There is a charter school here whose principal had independently contacted the David Lynch Foundation. Who do I contact for information?
Raja	Jane B. Any news on schools?
Carol	Ray Foster and I will be presenting a short talk to the School Advisory Council for a school of 2000. They have approval from the principal, the

	<p>superintendent is on board. Meeting is at 6:30 pm on Thurs evening. Please have your enlightened attention on this. Several other schools are also interested.</p>
Raja	<p>David Lynch and Donovan are speaking at the Kodak Theater tonight to a sell out crowd of over 3300 people. So the funding will even be greater in the future. Very successful tour in NY and DC already. In DC, a Hungarian lady interested in music knew the Hungarian ambassador who spoke at the Rock and Roll Hall of Fame. She called the ambassador and suggested he should invite all his ambassador friends to a private dinner with David Lynch, Donovan and Bobby Roth – great event. 8-9 ambassadors from different countries joined at this dinner.</p> <p>Jai Guru Dev</p>
